Piano Tuning.

After forty years experience in Piano Manu-
facturing, I have made what it was
never known, whereby a piano can be tune-
died and repaired, having been made by
the most famous makers in the world.

and Liverpool, and being greatly expert in
the construction, and being greatly expert in
the tuning, I have now, which is a wide
feature and, those who have been exposed
to my skill, will be surprised to see how
well I can do it.
